

exception/noStreamWithID  
/noStreamWithID.h

```
graph TD; A["exception/noStreamWithID  
/noStreamWithID.h"] --> B[iostream]; A --> C[exception];
```

The diagram illustrates a header file inheritance structure. At the top, a gray box contains the text "exception/noStreamWithID /noStreamWithID.h". Two blue arrows point downwards from the bottom edge of this box to two separate white boxes below. The left box is labeled "iostream" and the right box is labeled "exception".

iostream

exception
